## **Ionic liquids expert Rogers to speak Thursday at 3 p.m.**

**D**r. Robin Rogers, one of the leading researchers in the field of ionic liquids, will speak at 3 p.m. Thursday in Bldg. 4481, Room 107 at the Marshall Center. Rogers' talk will focus on ionic liquids, their properties, and how these properties may be used to meet NASA's human space exploration needs. Rogers is the director of the Center for Green Manufacturing at the University of Alabama at Tuscaloosa. For more information, call 544-7823 or 544-5026.

**Marshall welcomes the President's Commission on Implementation of United States Space Exploration Policy on Wednesday**

**'Take Our Children to Work Day' is April 22. T-shirt orders due Friday. Tours and Workshop registration due April 16. See 'Inside Marshall'**

## **NASA Software of the Year nominations due April 16**

**N**ominations for the NASA Software of the Year Award are being accepted through April 16. The award recognizes software developed and owned by NASA. A certificate of recognition and a Space Act award of up to \$100,000 will be given to the winner. For competition guidance and forms, go to <http://icb.nasa.gov>. For details, call 544-0013 or 544-0014.

**Marshall Center annual Egg Hunt, 10 a.m. Saturday; registration 9:30 a.m. See 'Inside Marshall'**
