## Friday last day to volunteer for ISS water recovery testing

Friday is the last day to volunteer to support testing of the International Space Station Water Recovery System. Participants will generate waste water by exercising and performing hygiene activities. A physical exam and treadmill test are required. Testing will begin in June and end in December. Volunteers must obtain approval from supervisors and be full-time Marshall civil service employees. To participate, call Paul Wieland at 544-7215.

**'Take Our Children to Work Day' is April 22. T-shirt orders due Friday. Tours and workshop registration due April 16. See 'Inside Marshall'**

---

**LIFESouth blood drive, 8 a.m.-1:30 p.m., Friday, Center Activities Bldg. 4316. See 'Inside Marshall'**

## Marshall Center annual Egg Hunt will be Saturday

The Marshall Center's annual Egg Hunt will be at 10 a.m. Saturday in the Picnic Area. Registration is at 9:30 a.m. All Center team members are invited to bring their children ages 12 and under to participate. In case of inclement weather, activities will be held in Bldg. 4316. Family members who plan to attend without a badged employee must be registered in the Visitor Management System. For details, see "Inside Marshall" or call 544-3563 or 544-1382.
