Monday forum on lessons learned from mishap studies

Faster, better, cheaper: Lessons learned from recent mishap investigations will be presented by Center Director Art Stephenson from noon- 2 p.m. Monday in Morris Auditorium. Stephenson will discuss the report of the Mars Climate Orbiter Investigation Team and the implications for program and project management.

Marshall welcomes Range Commanders Council Meteorology Group

Safety lecture on biological monitoring on Centerwide TV Thursday, 3 p.m.

April is Environmental Awareness Month at Marshall

April marks environmental awareness month at Marshall. The 2000 Earth Day theme, "Reuse it or lose it," is a reminder that if we do not recycle, we lose those resources forever. Recycling today, helps protect the Earth's natural resources tomorrow. Visit Marshall's recycling Web site at: <http://www.recycle.msfc.nasa.gov/>

In this week's Marshall Star:

- Full-scope ISO registration, VPP certification delayed
- Protective services to issue new visitor badges
- Hatch Act governs federal employees' political activity

Blue Cross/Blue Shield rep here 9-11 a.m. Fri., Bldg. 4200, room 324A
