E2-TEAMS conference set May 15-16 at Von Braun Center

Marshall is joining forces with the U.S. Army Aviation and Missile Command and Space and Missile Defense Command to host the first Education and Employment for Technological Excellence in Aviation, Missiles and Space (E2-TEAMS) conference May 15-16 at the Von Braun Center. The conference — formerly TABES — hopes to encourage research colleges and universities from Alabama, Mississippi, Tennessee and Georgia to partner with industry and government to build a regional high-tech corridor. For details, visit the Web at: www.tabes.org/
