## Computer Monitoring Part of Security Study at Marshall

The General Accounting Office has initiated a penetration study of NASA computer systems, according to Charles Houston, director of Marshall's Information Systems Services Office. Tests will be conducted over the next couple of months. Government-owned or government-funded computers will be affected and there should be no expectation of privacy when using the systems. **Contact:** Bob Keasling, 4-1223.

## CFC Seeks 1998 Campaign Slogan

Slogans are being solicited for the 1998 Tennessee Valley Combined Federal Campaign (CFC). The winning slogan will be used as a planning theme for the 1998 CFC Drive. The winner will receive recognition and a prize awarded by the Tennessee Valley CFC executive director. Slogans should be short, concise and submitted to: *cathy.nichelson@msfc.nasa.gov* by May 6.
