## **Industrial Safety Office issues magnetic door lock notice**

**T**he Center Industrial Safety Office has issued instructions on opening doors with magnetic locks in the event of malfunction or power failure. The magnetic lock automatically releases in the event of power failure. For mechanical malfunctions, an emergency release switch is located adjacent to each door. To exit, pull the lever and push the door open. To report a malfunctioning door, call 544-HELP.

**AFGE Local 3434 meeting, 11:30 a.m. Tuesday, Bldg. 4200, room P-110**
