Marshall Picnic Set for Oct. 4

The Marshall Center Picnic will be held Saturday, Oct. 4. The theme for this year's picnic is *Living the Dream*. Picnic Committee members chose the theme to represent the special privilege that NASA employees and contractors share in being part of making the dream of space exploration a reality. "We live and work in the fantasy of space exploration every day," said Picnic Chairman Dennis Keim. "The theme reflects that." More information on picnic activities will be available soon.
