## HQ approves buyout plan

The buyout plan recently submitted to NASA Headquarters has been approved. The buyout period opened Tuesday and closes Dec. 31. Employees will receive official notices. For more information, call Edwina Bressette at 544-8115.

**Rep. Cramer discusses NASA budget on Centerwide TV 1 p.m., Wed.**

**ISO 9000 follow-on training Aug. 17, 8:30 a.m., noon, 2:30 p.m., Morris Auditorium**

## Fourth Chandra engine firing set Wednesday at 11:36 a.m.

The fourth of five scheduled firings of the propulsion system aboard the Marshall-managed Chandra X-ray Observatory will be at 11:36 a.m. CDT Wednesday. For Chandra status reports, visit the Web at: <http://chandra.nasa.gov>

## Bldg. 4200 plaza deck under repair to improve drainage

Modifications to the first floor plaza deck of Bldg. 4200 to improve the drainage system begins Wednesday. The repair will begin in the northeast corner and proceed along the west perimeter and continue around the building. Pedestrian traffic will be rerouted when work is in progress at entrances. Employees should exercise caution in the area and observe barricaded areas.
