'Hubble: Secrets from Space' Airs 6 p.m. Sat. on Discovery

"Hubble: Secrets from Space" is scheduled to air on the Discovery Channel at 6 p.m. CST Saturday. The program, which first aired Monday, includes Hubble Space Telescope imagery and footage from the 1993 Shuttle mission to service the telescope. It also documents astronaut training for the servicing mission now under way and demonstrates technology being used by the astronauts during the mission to replace some of the telescope's components.
