Program Management & Control classes available at Center

The Employee and Organizational Development Office at Marshall will offer several Program Management & Control classes during January, February and March. Classes will be limited to 30 people and registration is on a first-come first-served basis. No training request form is required. The courses and dates are:

- ★ Earned Value Management, Jan. 26-28
- ★ Parametric Cost Estimation, Feb. 9-10
- ★ Configuration Management, Feb. 23-24
- ★ Procurement Process, March 3-4
- ★ PM&C: Tools & Techniques, March 29-April 2

Classes will be held from 8 a.m.-4:30 p.m. in Bldg. 4200, room G-21. Employees may register via AdminSTAR or **contact** Stephanie Elliott at 4-7553 or Renee Higgins at 4-8864.

The NASA vision

NASA is an investment in America's future. As explorers, pioneers and innovators, we boldly expand frontiers in air and space to inspire and serve America, and to benefit the quality of life on earth.

The Marshall Center vision: Bringing people to space; bringing space to people

We are world leaders in access to space and the use of space for research and development to benefit mankind.
