NASA's Super Guppy at Redstone Airfield Monday

Marshall team members may view NASA's Super Guppy from 4-6 p.m. Monday at Bldg. 4817 at the Redstone Airfield. The aircraft is stationed at Ellington Field in Houston, and is used primarily to support the shipment of oversized Space Station hardware. The flight crew will be on-hand to answer questions. For more information, call 544-4554.
