Rain showers in Florida delay Space Shuttle landing

Mission managers waived off both landing opportunities early Tuesday due to rain showers within 30 miles of the Shuttle Landing Facility. Atlantis is now scheduled to land at Kennedy Space Center at 10:39 p.m. CDT Tuesday. Because the weather forecast for Kennedy Space Center is improving, mission managers have decided not to alert Edwards Air Force Base, Calif., for landing there.

Marshall welcomes the National Coalition of Spacesports States Tuesday
