Materials Science Conference kicks off Tuesday at VBC

NASA's Microgravity Materials Science Conference kicks off Tuesday at the Von Braun Center North Hall. Tuesday's events include a welcome by Marshall Center Director Art Stephenson at 8:40 a.m.; an overview of NASA's Microgravity Program at 8:45 a.m.; a talk on nanomaterials for NASA missions at 10:45 a.m.; and technical sessions on NASA-funded research from 1:15-3:30 p.m. The conference continues through Thursday.

**NASA Payroll Office
open 7:30-11:30 a.m.
and 12:30-4:30 p.m.
For information, call
544-7341**

**Marshall's annual
retiree dinner
Aug. 17 at Von
Braun Center**

Some Marshall employees eligible to work at home

The Federal Flexible Workplace Program-Regular Option provides an opportunity for certain Marshall employees to work from home. Requirements for the program are outlined in Marshall Policy Directive 3000.1 and Marshall Procedures and Guidelines 3000.1. Both can be accessed through the Marshall Integrated Document Library. For more information, call Carolyn Lundy at 544-4049.
