Information technology awareness training Thursday

Information technology security employee basic awareness training for Marshall civil service and contractor supervisors will be Thursday from 9-10 a.m. in Morris Auditorium. This training is mandatory for all employees. Copies of the training CD-ROM used in the briefing will be given to supervisors to train their workgroups and report employee participation for documentation of the FY '99 training.

Effective briefings class daily through Friday, 8-30 a.m.-2:30 p.m. Enroll via AdminSTAR

Contracting officer technical rep update class June 28. Enroll via AdminSTAR

Picnic committee seeking cars, motorcycles for show

To enter an antique, classic or special-interest car or motorcycle in the Car and Motorcycle Show at the Marshall picnic July 17, call Rich Wegrich at 544-2626.

Apollo 11 Factoid

The Saturn V Moon rocket that launched Apollo 11 July 16, 1969, had the combined horsepower of 543 jet fighter aircraft. Remember that Marshall will celebrate the 30th Anniversary of Apollo 11 on July 17.
