Congressional staff members, NASA officials visit Tuesday

Congressional staff members representing the Senate Appropriations Subcommittee, the House VA/HUD Appropriations Subcommittee and the House Science Committee are visiting Marshall Tuesday. Accompanying them are staff from the office of U.S. Sen. Jeff Sessions of Alabama; Marshall representative Tom Koshut, who is detailed to the office of U.S. Rep. Bud Cramer of Alabama; and other NASA officials. They will be given a Center overview and briefings on the Space Transportation and Advanced Space Transportation programs, as well as a tour of Microgravity, Space Sciences and Space Station facilities.

Space-related talk Wednesday at Huntsville/Madison County Library

A discussion on "MagLifter — Using Magnets to Boost Launch Vehicles into Space," will be presented by Joe T. Howell, deputy director of NASA Advanced Systems and Technology Office at Marshall, Wednesday from 7-8:30 p.m. at the Huntsville/Madison County Public Library auditorium. The event is free and open to the public. For more information, call Ronnie Lajoie at 971-3055 or 721-1083.
