Deputy administrators named for NASA external relations

NASA Deputy Administrator Fred Gregory has named Albert "Al" Condes and Joseph "Joe" R. Wood as deputy administrators for the NASA Office of External Relations. Condes will be responsible for NASA's international activities and coordination, particularly those related to Human Space Flight and Earth Science. Wood will be responsible for executive leadership and policy direction for external relations regarding exploration activities and related international cooperation by the NASA offices of Space Science, Exploration Systems and Aeronautics.
