Hubble's Enhanced Capabilities To Be Shown on NASA TV Mon.

A news briefing to highlight images that show the capabilities of new instruments installed on NASA's Hubble Space Telescope will air live on NASA TV at 10 a.m. CDT Monday. The instruments were installed during a servicing mission earlier this year.

New Marshall Web Site Features Career Center Program Information

Marshall's Career Transition Assistance Center now has a Web site. It is accessible through the Inside Marshall homepage at "<http://www.inside>" or at "<http://security.msfc.nasa.gov/hr&as/ctap/ctap1xx.htm>". The site replaces the electronic newsletter and features information on job leads and job searching, retirement, relocation, company profiles, workshops and more.
