Open House

Earth-shaking demonstrations, astronauts and Marshall employees await visitors Saturday at the Open House. The Center's employees will host the public for a revealing look at Marshall's past accomplishments, ongoing work and future role in the space program. Refreshments and souvenirs will be available for purchase. Pass the word!

Volunteer T-shirts Available, 8 a.m.-4:30 p.m. Fri. in Bldg. 4200, Room 220E

Flags at Half-Staff Fri. to Honor Fallen Peace Officers

Marshall's First Super Lightweight Tank Set for Pre-launch Test Mon.

Marshall's External Tank Project Office's first super lightweight external tank will be tested at 6 a.m. (CDT) Monday by KSC engineers. The tank, mated to the orbiter Discovery, is set for launch June 2. The improved tank was developed to increase the Shuttle payload capacity on the International Space Station assembly flights.
