Mail delivery curtailed during organizational move

Mail will not be delivered to personnel in Bldgs. 4201, 4202, 4203, 4487, 4610 or 4666 during the organizational move. Individuals may pick up mail at mail services in Bldg. 4200, room G35.

Have a safe move!

Federal employee group life insurance open enrollment period through June 30

Move affects Center's roadways, parking areas

There will be heavy vehicular traffic created by moving crews on Morris, Dodd and Martin roads now until 6 a.m. next Tuesday. If possible, use alternate routes of travel during this period. Sections of the north and south parking lots for Bldgs. 4201, 4202 and 4203 will be reserved for moving crews' vehicle staging, as well as delivery and pickup of furniture and boxes during this time.

Marshall Activities closed Saturday for power outage

The Marshall Activities Building 4752 will be closed Saturday for a planned power outage, but will resume operations on Sunday from 7 a.m.-5 p.m. The NASA Exchange regrets any inconvenience to the building members and guests.
