Radiation safety training set

Employees working with radioactive materials, including X-ray producing equipment, are required to attend annual radiation safety training. Training will be at 2:30 p.m. Thursday and 8 a.m. Oct. 25. To attend, call 544-2390.

Marshall physical equipment inventory under way

Marshall has started its annual physical inventory of all government-owned equipment. The inventory will continue through Dec. 29. To ensure accuracy of the inventory, please have equipment in all offices, locked spaces, cabinets, etc., available for scanning. For more information, call Inge Kuberg at 544-5678.

Volunteer for NASA Day Nov. 11 at Alabama A&M. Call 544-6340
