## Leadership Class No. 14 visits Marshall Center Wednesday

The Huntsville/Madison County Leadership Class No. 14 will visit Marshall Wednesday. The group will receive Center and Microgravity overviews and visit the Propulsion Research Center.

**Combined Federal Campaign Kickoff ceremony 9 a.m. Thursday, Morris Auditorium**

**Lunch tickets for Safety Day Oct. 25 available through admin officers**

## Space Transportation Day set Oct. 11-12 at Marshall

The second annual Space Transportation Day and technology workshop will be Oct. 11-12 at Marshall. The morning session Oct. 11 will be an overview of space transportation, and breakout sessions on new-generation technologies. Marshall employees who wish to attend must register on the "ST Day 2000" Web site by Wednesday.

## Marshall physical equipment inventory under way

Marshall has started its annual physical inventory of all government-owned equipment. The inventory will continue through Dec. 29. To ensure accuracy of the inventory, please have equipment in all offices, locked spaces, cabinets, etc., available for scanning. For more information, call Inge Kuberg at 544-5678.

**Hispanic Heritage Month celebration, 1 p.m. Oct. 12, Bldg. 4200 Complex Courtyard**
