## **'Revolutionary Technology Leaps' Topic of Online Chat Session Wed.**

"Revolutionary Technology Leaps" will be the topic of an internet chat session planned for 2 p.m. CDT Wednesday. It is the second of three discussions leading up to NASA's Oct. 9 "Turning Goals Into Reality" on-line conference. The "ichat" sessions and conference, which will address NASA's research and future plans in aeronautics and space transportation, are open to the public. More information is at the following Web site: <http://www.hq.nasa.gov/office/aero/conf98>
